ORDER

Came on for consideration the motion of plaintiff, Ronnie Young, for extension of time to file motion for class certification. The court, having considered the motion, the record, and applicable authorities, finds that the motion should be denied. Plaintiff refers to "excusable neglect" for the failing to timely file his motion, but fails to allege any facts to support that contention.

The court ORDERS that plaintiff's motion for extension of time to file motion for class certification be, and is hereby, denied.

SIGNED October 9, 2018.

United States District Judge
